

**LIGHTER.  
STRAIGHTER.  
BETTER.**

Truecore®

**WE ONLY  
BUILD USING  
TRUECORE®  
QUALITY STEEL**

**Dynamic Steel Frame is a vibrant and customer focused Light Gauge Steel Frame manufacturer based in Melbourne, Australia.**

Dynamic Steel frame is the largest supplier of light gauge steel frames in Melbourne. We design, prefabricate and deliver wall frames, roof trusses, floor joists, panels, facades, balustrades, Bathroom Pods, Tiny House and more to project sites all over Victoria and beyond.

Liaising closely with Architects, Engineers, Detailers and Builders, we provide highly effective and efficient Light Gauge Steel Frames.

No project is too big or too small!

**If you can imagine it, we can build it.**

**OUR CLIENTS**

**COMMITMENT  
TO QUALITY**

# UNSURPASSED QUALITY PROUDLY AUSTRALIAN SPEED & PRECISION

---

## **Our Commitment**

Quality is one of our key core values to create standards for our communities and bench marks in the market. We are committed to achieve ever increasing levels of customer expectations through continual improvements in the quality of our products and services.

## **We Achieve Total Commitment By:**

- Delivering products to customers in the right quality and quantity on time, every time.
- Institutionalising a culture of "Getting it Right, first time".
- Providing compelling solutions to ensure that our customers succeed.
- Continually updating our technical competence.
- Enhancing the expertise of our people through periodic training.
- Continually reviewing and upgrading our systems, policies and procedures.
- Creating an environment which encourages team effort and where everyone's contribution is recognised and valued.
